

Melanie Morgan

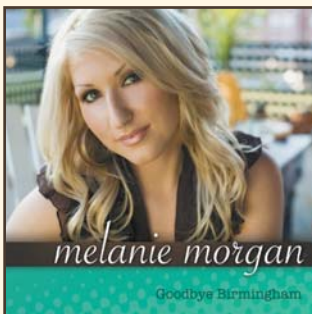

“ PRESS

Melanie Morgan has found that rare bit of magic where a traditional country sounding voice takes some not so traditional sounding country songs and makes them sound as country as Loretta.

- LARRY DELANEY, Country Music News

A fine singer with the classic twang of female country stars. Almost every song could be a radio single, and the sound is as polished as anything else on the country charts.

BIOGRAPHY

Cap-Pele New Brunswick's Melanie Morgan has been described as one of the most exciting new voices to hit the Canadian Country scene. Growing up in a small Acadian town, Melanie was exposed to both 'country' and 'French Acadian' music which makes her a good example of home grown talent. With her classic twang and powerful vocals Melanie has left a lasting impression on audiences all over Canada.

Melanie's journey all began in 2006 when her dream of becoming a country recording artist flourished, heading down to Nashville, Tennessee to record her debut album *Brand New Day*. The album received recognition at the East Coast Music Awards for Country Recording of the Year and at the Canadian Radio Music Awards for her hit single *My Man* which also received national airplay on CMT and on Canadian radio coast to coast.

In the fall of 2008, Melanie recorded her second album. This new album showcases her songwriting abilities on songs co-written with Nashville hit makers such as George Teren, Wade Kirby, Rick Huckaby and Monty Criswell. Her new project was also co-produced by Criswell, and features several outside songs including *This Time of Year* written by Hillary Lindsey, Tim Mensy and Troy Verges.

In 2009 Melanie released *Goodbye Birmingham* receiving once again national recognition for Country Recording of the Year at the East Coast Music Awards in March of 2010. Her latest Single *Not Tonight* is receiving great reviews across the country and was the top 5 most added song on DMDS in it's first week out to radio! *Not Tonight* is currently getting airplay across Canada and climbing the Canadian Country Chart.
